Permit or licence being *Exploration Permit 258*
applied for

Date of determination 4 August 2023

1. Background

- (a) The Applicant has applied for the grant of a permit or licence under the *Petroleum Act 1984* (the Act).
- (b) Section 15A of the Act requires me to be satisfied that the Applicant, and any associated entity of the Applicant, is an appropriate person to hold a permit or licence under the Act. In making that determination, I must have regard to the matters set out in section 15A(1) and, where necessary, section 15A(2).

(c) Section 15A(5) provides that I must publish, on the Agency's website, the reasons why I have determined that an Applicant, and any associated entity of the Applicant, is or is not an appropriate person to hold a licence or permit under the Act.

(d) This document contains my determination and my reasons.

2. Determination

(a) I am satisfied that the Applicant, and any associated entity of the Applicant, is an appropriate person to hold a licence or permit under the Act.

3. Reasons for determination

(a) I have had regard to the matters set out in section 15A.

(b) Where there is a reference to a director, I have taken into consideration any person concerned in the management of the body corporate as is required by section 15A(3).

(c) The table below sets out the matters referred to in section 15A(1). I set out in that table the material factors that are relevant to each such matter.

Section in Act	Matter	Material factors
15A(1)(a)	<p>The Applicant or associated entity's record of compliance with the prescribed legislation, including:</p> <p>(i) whether the Applicant or entity has contravened any of the prescribed legislation; and</p> <p>(ii) the seriousness of any contraventions; and</p> <p>(iii) the length of time since the contraventions (if any) occurred; and</p> <p>(iv) any other matter the Minister considers relevant.</p>	<p><i>The applicant and associated entities have not contravened the prescribed legislation.</i></p> <p><i>Top End Energy Limited holds ATP1069 in Queensland. An ATP is an authority to prospect for petroleum, oil, coal seam gas and natural gas.</i></p> <p><i>An interrogation of the documents listed in 3(e) below established that there has been no acts of non-compliance with the prescribed legislation by the applicant or associated entities.</i></p>
15A(1)(b)	Whether the Applicant or associated entity has held a licence or other authority under the prescribed legislation where that licence or authority has been suspended or revoked.	<i>Top End Energy Limited holds ATP1069 in Queensland. This authority has not been suspended or revoked.</i>
15A(1)(c)	Whether in the opinion of the Minister, the action or thing to be authorised by the permit or licence is or will be under the control of a technically	<i>Sufficient evidence demonstrating technical capacity of the applicant has been provided and interrogated. This includes:</i>
